**FY2002 Technology
Incentive Grants**

IDAHO TECHNOLOGY

Idaho Technology Incentive Grants (ITIG) program

The purpose of the program is:

- To focus on integrating technology into the curriculum
- To enhance the rate and quality of student learning
- To enhance faculty productivity
- To increase access to educational programs.

The program seeks bold new ideas that can be sustained after the program ends. Initiatives may include, but are not limited to, the following:

- **Professional development and support.** New approaches to teacher preparation and staff development that lead to changes in teaching styles are critical to the effective integration of technology.
- **Techniques for assisting teachers in developing computer-based instruction.** Can new methods be found to assist faculty in using WWW and multimedia computers for instruction?
- **Collaborative learning and team building is encouraged.**
